About HIAG

HIAG is a leading real estate company listed on the SIX Swiss Exchange with an investment property portfolio worth a total of around CHF 2.0 billion. HIAG's business model covers the entire property value chain of portfolio/asset management, site development and transaction management. We invest in residential, commercial and industrial properties in economically strong Swiss regions, expand the portfolio through development projects and acquisitions, and thus secure stable rental income and a growing dividend base. The transaction business offers attractive potential for profit, and enables effective capital recycling. With this business model, HIAG offers holistic living spaces of the future at its sites for both people and companies, thereby creating economic, ecological and social added value
